Ambassador Crawford College of Business & Entrepreneurship, Kent State | Kent, OH   May 2025
Bachelor of Business Administration | Major: Computer Information Systems   *GPA: 3.5*
Relevant Courses: Cloud Systems Computing, Creating Intuitive Systems, Database Design and Data Governance, Business Modeling and Agile Design

EXPERIENCE

SSP Fittings Corp.| Twinsburg, Ohio   June 2024 – Present
IT Intern
- Coordinated with team members for data entry and maintenance.
- Prepared and reviewed excel sheets of organized data to be imported into the database.
- Used various queries to capture specific data for importing, updating, and exporting data.

Freelance Photography| Cleveland, Ohio   August 2019 – May 2023
Photographer
- Photographed and edited over 2,500 pictures for various clients such as Kronis Academy and Soccer Evolution Analytics.
- Negotiated prices for my service depending on the factors of a photo shoot and communicated with my client about available times and dates.
- Developed a platform for my business to market my work, including a portfolio of work from the past 4 years.

RELATED COURSEWORK OR PROJECTS

UI/UX Project | Kent State University   August 2023 – December 2023
- Developed an application framework, outlining user flow, wireframes, and key functionalities.
- Created high-fidelity prototypes using Figma to demonstrate user interactions.
- Presented the project to peers, receiving constructive feedback on usability and design enhancements.

Syllabus Builder Project | Kent State University   August 2024 – December 2024
- Designed and implemented a JavaScript-powered search feature for professors to locate files efficiently by name.
- Indexed file names to provide real-time search suggestions, enhancing user experience and functionality.
- Focused on UI/UX design principles to optimize accessibility and ease of use.

LEADERSHIP AND ACTIVITIES

Phi Gamma Delta | Kent, Ohio   January 2024 – December 2024
Recruitment Chair
- Led recruitment strategy and event planning, resulting in increased new member engagement.
- Coordinated with the recruitment team to organize outreach events and expand fraternity presence on campus.
- Engaged in campus tabling and direct outreach to recruit prospective members.

Kent State Study Abroad | Florence, Italy   May 2022 – June 2022
From Ideas to Story Telling
- Developed and pitched a documentary film concept inspired by the untold stories of Florence.
- Gained global experience by exploring Florence and five other Italian cities, building cross-cultural awareness.
